Why do you need outdoor power equipment?

The right outdoor power equipment makes yard work much easier and less time consuming. Whether you need generators to power up your job site, gas lawn mowers or battery lawn mowers for your yard, or electric snow blowers to clear your driveway, we've got lots of outdoor power equipment options.

Where can I rent outdoor power equipment?

You can rent the outdoor power equipment you need from your local Home Depot Tool Rental Center. With the right outdoor power equipment from The Home Depot, you'll be powering up your projects in no time. Shop Outdoor Power Equipment and more at The Home Depot. We offer free delivery, in-store and curbside pick-up for most items.

Are power tools affordable?

Thanks to our Every Day Low Prices, everything is affordable, too. Take a look at these power tools for making yard work easier, and get ready to garden. Although you can pay a service to maintain your lawn for you, there's something fulfilling about doing it yourself and making it look like professional landscapers did the work.
