How do duragreen®; collapsible containers fold?

DuraGreen®; collapsible containers fold easily, and their doors are made with fully articulating hinges that allow an open door to lay flat against the side of the container for tighter, safer storage.

What are duragreen®; collapsible bulk containers?

DuraGreen®; collapsible bulk containers are space-saving containers engineered for durability and longevity. These containers are made of high-density polyethylene (HDPE), a durable material that will protect your products throughout the duration of the container's life.

What size is a collapsible bulk container?

Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications. 32' x 30' bulk containers are ideal for handling, storing, and moving various dense small-to-medium-sized parts.

Are FLEXcon containers collapsible?

Consistent inside dimensions at the top and bottom of the containers allow even multiple layer dunnage to be easily installed and removed. Custom requests and dealer inquiries welcome. Reduce costs with Flexcon's collapsible containers. Our durable, reusable totes collapse flat to save on return shipping and reclaim valued warehouse space.
