-----

This is the first time communications officers have been recruited directly from the Canberra community. Historically, only ACT Fire & Rescue firefighters would train in this specialist skill set.

The Australian Capital Territory Emergency Services Agency (ACT ESA) was established by the Emergencies Act 2004 (ACT), which came into effect on 1 July 2004. The mission of the ACT ESA is to protect and preserve life, property and the environment in the ACT. The ACT Emergency Services Agency (ESA) is the ACT Government organis...

The eco-friendly \$40 million facility will house both ACT Fire & Rescue and ACT Ambulance Service, providing modern infrastructure to support our first responders and ...
