Why should you choose Dhaka solar?

With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint. Your reliable partner for smart and affordable solar energy -- Dhaka Solar Ltd. offers customized design, seamless installation, and long-term maintenance to match your unique energy goals. Let's go green together -- Let's back to green!

Who is let's back to the Green Dhaka Solar Ltd?

Let's Back to the Green Dhaka Solar LTD stands at the forefront of the renewable energy revolution in Bangladesh, spearheading the transition towards sustainable and eco-friendly energy solutions. Established with a vision to harness the power of the sun, this esteemed company has emerged as the leading solar enterprise in the region.

Who is Dhaka solar?

Dhaka Solar LTD. Dhaka Solar Limited - powering a sustainable future for Bangladesh. We provide complete solar energy solutions for homes, offices, and industries. With advanced technology and expert EPC services, we help reduce electricity costs and carbon footprint.

Is Bangladesh a good candidate for solar energy?

A Historical Perspective Bangladesh's foray into solar energy dates back to the 1980s, propelled by the visionary efforts of academic institutions and governmental bodies. The country's strategic location, blessed with abundant solar radiation, rendered it an ideal candidate for solar energy utilization.
