Built-in Backup Battery. Stay secure for up to 24 hours if you lose power. Alarm Base Station will still send an alarm signal even if it is destroyed during entry delay.

How does battery backup work? When your Ring Alarm loses power, the internal rechargeable battery will keep your Ring Alarm Base Station online for up to 24 hours.

You don't have to worry about your electricity going out with the battery backup and there is optional 24/7 professional monitoring to dispatch police, fire or medical when needed.
