Who makes Toko terracotta tiles?

Toko Vietnam Co. Ltd. Founded in 2010, Toko Vietnam offers outstanding quality ceramic, porcelain, and terracotta tiles. They manufacture astonishingly durable porcelain and ceramic tiles for frequented home spaces. For instance, the entrance, living room, kitchen, etc. They also make decorative terracotta floor tiles for unique areas.

What is solar tile?

Solar tile, which combines solar panels and roof tiles, integrates photovoltaic and architecture. Crystal silicon photovoltaic technology and building tile structure are innovated to eliminate the complex project of secondary installation and replace traditional cement tiles and clay tiles with one-time paving.

What are solar roof tiles?

Like solar panels, solar roof tiles are designed to capture the energy from the sun that is shining on your roof and turn that energy into a usable power source for your home.
