Since our start in 2007, we have become one of the biggest solar inverter manufacturers in China. In 2009, our idea grew into a movement, spreading to Europe and Australia.

With a wide range of inverters and solar batteries to choose from, you can always rely on Growatt for your residential, commercial or even off-grid solar PV needs.

Namibia's state-owned utility, NamPower, has partnered with two Chinese companies to develop the country's largest solar power plant, valued at N\$1.6 billion (US\$89 ...

We are a Solar Inverter supplier serving the Namibia, mainly engaged in the sale, quotation, and technical support services of various Solar Inverter products in the Namibia region.

A consortium of Chinese firms led by China Harbour Engineering Co. negotiated an agreement in August 2024 to construct a ...

A consortium of Chinese firms led by China Harbour Engineering Co. negotiated an agreement in August 2024 to construct a 100 MW solar power in Botswana, another ...
