Who is Chiang Mai solar?

the only local manufacture of solar panels! Chiang Mai Solar designs and installs solar-related systems such as Solar Electric Systems, Solar Water Heating, Solar Pool Heating and many more. Utilizing solar energy through Solar cells or a dedicated solar power receiver. To help save money in the long term and environmental friendly.

Does Chiang Mai solar repair equipment?

Chiang Mai Solar has the ability to repair equipment or defective materials in each model, which requires experience in the equipment. Under the supervision of knowledgeable engineers, to correct the on-the-spot and get the system back to work perfectly.

Why should you choose Chiang Mai solar?

Knowledge of SOLAX Technology Battery products is another advantage of Chiang Mai Solar. We can provide accurate information for customers. It also introduces the product range for efficient energy storage and trouble-free later installation. overall amount of electricity of the house.

What is SMA Solar Technology inverter?

Our product knowledge SMA Solar Technology Inverter will be helpful for installing an Inverter to Solar Electric Systems to help convert the power from Direct Current (DC) to Alternative Current (AC) for your home. Which can provide information, recommend or compare products in different sizes to help you decide which product is most suitable.

The long established solar energy company has been providing a range of energy efficient solutions for applications ranging ...

Battery Energy Storage System operate by storing the energy produced by your solar panels for later use. The higher your battery capacity, the more solar energy it can store.
