Since "most of ____" is a prepositional phrase, the correct usage would be "most of whom." The phrase "most of who" should probably never be used. Another way to think about ...

I've recently come across a novel called A most wanted man, after which being curious I found a TV episode called A most unusual camera. Could someone shed some light on how to use "a ...

For enormous scale power and highly energetic storage applications, such as bulk energy, auxiliary, and transmission infrastructure services, pumped hydro storage and ...

Learn how an outdoor energy storage system enables reliable off-grid power for remote sites, communities, and critical infrastructure.

Here "most" means "a plurality". Most dentists recommend Colgate toothpaste. Here it is ambiguous about whether there is a bare majority or a comfortable majority.

Most is what is called a determiner. A determiner is "a word, such as a number, article, personal pronoun, that determines (limits) the meaning of a noun phrase." Some determiners can only ...

A battery energy storage system (BESS), battery storage power station, battery energy grid storage (BEGS) or battery grid storage is a type of energy storage technology that uses a ...

Modern outdoor energy storage solutions have emerged as the definitive answer, offering a blend of portability, power, and convenience that redefines what's possible when you ...

Most is defined by the attributes you apply to it. "Most of your time" would imply more than half, "the most
